Grading Scale

A=90-100
B=80-89
C=70-79
D=60-69
F=0-59

Grading Policy

Evaluation will be based upon a variety of measurements: classwork, homework, worksheets, written assignments, quizzes, test, reports and projects.

The weight of each assignment will vary depending on the level of difficulty and the amount of effort needed to complete the assignment. Some assignments will be completion grades; some assignments will be single count grades; some assignments will be double count grades; and other assignments will be triple county grades.

Extra credit work will rarely be given. The extra credit opportunity will be available to the entire class. Student specific extra credit will not be given.

Make-Up Work Policy

Obtaining make-up work is the student’s responsibility. Students will have three days to make up assignments given while absent. After that time, students will receive the grade of zero for each missed assignment. Check my webpage for assignments. Turn in all make up work directly to Mr. Melton.

Late Work Policy

Students will be given one day to turn in late work. Thirty (30) points will be deducted for all late work. No work will be accepted after one day late. A zero will be recorded for each missed assignment.
